Flag: Follow up

Thank you, Randy. I just learned that the Region 4 Water Division Director has decided not to engage the Seminole Nation of Oklahoma and the Jena Band of Choctaw Indians at this time, but it will be good for the team to have their contact information in case things change while I'm on leave.

Subject: R6 tribal contacts

Hi Randy,

During Region 4's NHPA consultation on Florida's assumption of the CWA 404 program, a consulting tribe pointed out that the Seminole Tribe of Oklahoma and the Jena Band of Choctaw Indians were not included. These Tribes may have historical interest in Florida, therefore the team is considering reaching out to them to see if they have input to share. Could you please provide e-mail contacts (Chief, Tribal Environmental Director, THPO) for the Seminole Tribe of Oklahoma and the Jena Band of Choctaw Indians? I will be on leave for the next two weeks. Please reply all so that the team will have their contact info. Thanks so much.

-Katie
